

Summer 2024

May our sons in their youth be like plants full grown, our daughters like corner pillars cut for the structure of a palace. - Psalm 144:12

Regular Opportunities

During the summer, our RefPres Youth Sunday School and Sunday Evening Gatherings take a break from meeting regularly. This allows time for all of our volunteers to receive both refreshment and ongoing training. Nevertheless, we do want to continue to maintain a sense of community among our youth and minister to them throughout the summer. Below are some Youth fellowship opportunities that are scheduled for this summer.
