

Fall 2021

We want youth to know Jesus, grow in his grace,
and learn how to serve him in all of life.”

– RefPresYouth Ministry Handbook

Regular Opportunities

Sunday School (9:30am, Starting Sept. 5)

Middle School (Library) – God for Us: An Introduction to Covenant Theology with Austin Bollinger

High School (Sanctuary Basement) – The Book of Job with Pastor Zack

Youth Group (Sundays 5–6:30pm, Starting Sept. 12)

Youth Group is for both middle school and high school students. We normally meet at the church (I will notify you if we are meeting elsewhere). We gather for fun, worship, and service. In addition, we normally unpack that morning’s sermon together. The goal here is twofold. First, we want to make sure the sermon is hitting home with our students. We want them to understand it, answer any questions, and apply it specifically to them. Second, we want our students to learn how to engage the preaching of God’s Word for their whole lives.

GRITS

GRITS (Girls Raised in Truth and Spirit) is a relational ministry avenue for high school girls led by Dawn Warren. For this Fall, Dawn plans on a once a month gathering as well as intends to get together with girls for one-on-one discipleship discussions. Be on the look out for more information from Dawn.
