The Long Story Short devotional book is designed to reinforce at home what your children are learning from the Gospel Story Sunday School curriculum each Sunday.

The children will retain details of the lessons through repetition. If you don't have a copy of the devotional book and would like one please ask Sallye Lucas and she can order one for you. If you don't already have a family devotional time at home, I know you and your family will be blessed by adding this to your routine.

This devotional makes it easy to sit down with your family and God's Word for five days each week for 10 minutes each day. If you miss or get behind just summarize and move on. Missing devotional time happens. Don't give up. Keep restarting! At the meal table you have a captive audience. I know your family will be blessed. Enjoy!
