RPC Bowling Night, Friday, January 28 @ 6

C.A.M.P. stands for **Catechism and Memory Program**. Again this year the memory work program coincides with our Sunday School curriculum, **The Gospel Story**. Pick up your family's SWORD Memory verses, a New City Catechism and Children's Catechism in the Narthex if you don't have them already. Catechism challenge is in the Narthex.

At any time, if your children have questions about communion or wish to learn more about what it means to join the church, or any questions at all, please feel free to **make an appointment with Pastor Matt** for you and your child or just your child.

February & March

Collections for 2022 **Souper Bowl of Caring** will be gathered until **February 13**.

In 1990, a Super Bowl Sunday prayer inspired a group of young people to do something more than celebrate a football game. They created the Souper Bowl of Caring, and have mobilized youth across the country to raise more than \$100 million for people in need. For more information on the Souper Bowl of Caring visit www.tacklehunger.org. **You can bring your cans to our collection pots in Kirkside and in the narthex.**

"You have led in your steadfast love the people whom you have redeemed; you guided them by your strength to your holy abode." Exodus 15:13

SNL starts back up in **Kirkside Hall 5-6:30PM** each Sunday night in February and March.

All children, infants to 5th graders, are welcome to come to SNL, bring friends too. Each night during Winter SNL we will review the sermon, talk about missions, play games, sing and eat a simple supper. Some Sundays I may ask parents to send supper with their children. Parents or guardians will sign their child(ren) in at the check-in desk on the Children's Hall.

Call Sallye Lucas, CMD, with any questions. 828.702.2892

The Old Story New devotional book is designed to reinforce at home what your children are learning from the Gospel Story Sunday School curriculum each Sunday.

The Old Story New devotional complements the New Testament curriculum for our RPC families to use during the week. The children will retain details of the lessons through repetition. If you don't have a copy and would like one please ask Sallye Lucas and she can order one for you. Our whole family was blessed by these devotions even when we had high schoolers, middle schoolers and one in grade school around the table. If you don't already have a family devotional time at home, I know you and your family would be blessed by adding this to your routine.

This devotional makes it easy to sit down with God's Word five out of seven days each week. If you miss or get behind just summarize and move on. Missing devotional time happens, just don't give up. Keep restarting! At the meal table you have a captive audience. Expect to read five to ten minutes, (read through it ahead of time and summarize if kids are struggling to focus), take five minutes for discussion and end in a prayer and a song. If everyone is "doing well" ask everyone to pray for something or someone specific. I know your family will be blessed. Enjoy!
